

# BLENDDED HCA

**FLEXIBILITY. SERVICE. CONNECTION.**

THE BEST OF BOTH WORLDS.

HORSE CREEK ACADEMY

## A Part of the Village

- 
- Participants of the Blended HCA pilot program will be invited to participate in all virtual and in-person extra-curricular activities such as clubs, teams, field trips, dances, etc.
  - HCA certified teachers will stay connected to each student through video literacy and social/emotional videos and one-on-one video conferences several times each week.

## 5K-5th Grade

- 
- Core Instruction in Science, Social Studies, ELA, and Math will be provided via a web-based program called Calvert. Calvert uses real-world projects to guide units in each of the four core subject areas.
  - Both intervention and acceleration will be addressed using a web-based application called Exact Path.
  - HCA videos and live video conferences will supplement all curriculum and instruction.

## 6th-9th Grade

- 
- Fully-accredited, personalized courses will be selected from over 300 options via a web-based program called Courseware.
  - Both intervention and acceleration will be addressed using a web-based application called Exact Path.
  - HCA videos and live video conferences will supplement all curriculum and instruction.

\*A one-year commitment is necessary to participate in this program. A spot in our building will be saved for you should you choose to return to the building for the 2021-2022 school year.
