School Name: Horse Creek Academy

Email: ataylor@hcacs.net

Add Activity: (#1)

1 Select Function: 188 - Parenting/Family Literacy

1 Select Object: 400 - Supplies and Materials

1 Select Reform Strategy: Provide meaningful parent/family engagement.

1 Select Use of Funds: Technology Supplies

1 Select Identified Need: Parent/Family Engagement

1 Select Data that Need is Based On: Enrollment Numbers

1 Activity: Funds will be used for technology supplies, specifically to purchase IDENTAKID software and supplies to do the following: track parent volunteer hours, track parent involvement, track enrollment track attendance, and visitor management school wide. We are increasing out student population significantly over the next few years and we have been tracking all parent service hours (30 per student) manually. The purpose of this purchase is to better track and utilize our parent volunteering/service management. This will be used school wide - from 4K - high school. Data to support this purchase is enrollment numbers and increases in enrollment as well as the paper management system we use now. The total cost of the technology supplies is 2550.00.

1 Quantity: 1

1 Cost: 2550

1 Total Cost: 2550

1. What is the measurable goal for this activity? HCA will improve data collection and management of parent service hours school wide by using a data management system for visitor and parent volunteer hours this school year.

1. What data/evidence will be collected to evaluate the effectiveness of this activity? Evidence:
 -effective management system that track service time automatically
 -monthly tracking system to better inform parents of hours due and hours served
 -increased communication with HCA parents through email/Bloomz regarding serve time (at least monthly).

1. Do you have another activity to add? Yes
