Position Leader at HCA

I have reviewed all ESSER III Plan requirements, collected updated stakeholder input, and reviewed the current plan and stakeholder input to determine if updates are needed to the Return to In-Person Instruction and Continuity of Services Plan at this time. Yes, I have collected stakeholder input and need to update the plan.

1. Provide Updates on: Description of maintaining health and safety of students, educators, and other school and LEA staff; generally if/how policies and practices are based on CDC safety recommendations: We are no longer "podding" classes

2. Provide Updates on: Universal and correct wearing of masks: Masks are optional

3. Provide Updates on: Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding) Using socially distant flexible seating school wide, with many additional areas to be considered learning spaces now

4. Provide Updates on: Handwashing and respiratory etiquette: Continue regular handwashing

5. Provide Updates on: Cleaning and maintaining healthy facilities, including improving ventilation: Cleaning throughout the day
hired cleaning crew for each evening

6. Provide Updates on: Contact tracing in combination with isolation and quarantine: We contract trace daily and send messages to families

7. Provide Updates on: Diagnostic and screening testing: We give away free at home tests to employees and students when asked

8. Provide Updates on: Efforts to provide vaccinations to educators, other staff, and students, if eligible: We held vaccine clinics on campus for staff and students/families

9. Provide Updates on: Appropriate accommodations for children with disabilities with respect to health and safety policies and practices:	All accommodations are being followed
10. Provide Updates on: Coordination with state and local health officials:	We coordinate when needed with all officials
11. Response on continuity of services	We are in school full time, 5 days a week and we offer virtual learning with one on one devices when students are quarantined.
12. Response on ensuring periodic updates to plan	We meet regularly to review plan.
13. Response on public input in development of plan	We ask for feedback on plan and we also discuss at board meeting and encourage parent input.
