

PARENTS RIGHT TO KNOW

Any parent can request information about any teacher of their child. Under federal law, parents have the right to know:

- **whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;**
- **whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;**
- **the baccalaureate degree major of a teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;**

Teacher qualifications can be accessed at [Educator Qualification Search](https://ed.sc.gov/educators/public-lookup/).
