### **How to pay and rent the rock:**

Contact Rebecca Fail directly through email or phone to rent the rock. You can pay over the phone with a card or come to the front office in Building B to pay with card, cash, or check.

### **What occurs when you rent the rock:**

Once the rock is rented, HCA ensures it is painted with white paint prior to the reserved date.

### **How to paint the rock:**

Typically parents paint the evening or weekend before the rental starts if the rental date starts on a Monday. **The renter is responsible for decorating the rock with their own supplies.** Inexpensive Acrylic Paints work well if sealed with clear spray paint over the painting to waterproof.
